

Elcona

Partial

Dispersion

Of One Of The

Most Highly

Respected Herds

Elcona Farms, Elkhart, Indiana, Monday, June 11, 1956

How to be Perfectly SURE

First — Talk to any breeder who has visited Elcona and he will tell you that one of the finest cow herds in existence is on this farm. He will also tell you that the herd bulls have sired calves that answer the requirements of the most exacting judges.

Second — Talk to any breeder who knows the owners of this herd and he will tell you that they are among the most highly respected persons in the Shorthorn industry.

Third — Talk to any breeder who has bought from the Elcona Herd and he will tell you that these animals have been sure improvers.

Fourth — Study the breeding of the members of this herd and the methods used to insure the proper development and good health of each calf. You will agree immediately that there is a guarantee of performance in every animal you buy from Elcona.

NOTE — This sale is unusual in that 53 of the outstanding animals were bred by Mr. and Mrs. Ernest M. Sims and are sons, daughters, grandsons or granddaughters of the famous cows that formed the foundation of the Elcona herd. Eighteen of the bulls and 35 of the females are by six internationally famous sires that have been used at Elcona, Edellyn Royal Leader 22nd, Elcona Elvin, WL Bank Standard, Sunset Bounce 14th, Sunset Bounce 23rd and Edellyn Campeon leader. Other females in the offering are by such favorably known sires as Pittodrie Landmark, Ballechin Rodney, Cruggleton Johnston, Bapton Major, Glassingall Research and others. This is a sale for those who appreciate superior individuals that are backed by pedigrees of exceptional strength.

Elcona Baroness and Elcona Fragrance 2nd, typical productions of the Elcona Herd. Both are daughters of Edellyn Royal Leader 22nd. Together they won second prize in the class for two females at the International. Elcona Baroness will sell in this dispersion along with 3 other females of the same family. See Lots 37, 38, 39 & 40.

Many Cows with Calves at Foot

To Shorthorn Lovers Everywhere:

It is with deep regret that Mrs. Sims and I have found it necessary to reduce the size of our Shorthorn herd. During the nearly twenty years of our participation in the industry, our respect and admiration for this grand breed have continued to grow. We have acquired a strong attachment for the members of the Elcona herd and one of our chief concerns, as we considered all the factors involved, was the realization that we must part company with many animals which had earned our deep interest and real affection.

Bulking large also, among the many satisfactions we have gained from this experience, has been the opportunity to become friends and co-workers with as fine a group of folks as ever labored together in any enterprise. I have said many times that there just can't be much wrong with any man or woman who truly loves good livestock. There is a humanizing influence in such an interest that only the most callous person could resist. We think the Shorthorn family ranks at the top in the qualities that make for deep and lasting friendships.

Several circumstances have caused us to decide upon the partial dispersal of our herd. We have reached a time in life when it is desirable for us to limit the extent of our business activities. There are several fields of interest which we would like to explore and which greater present leisure will permit us to include in our plans. We need to consolidate our financial commitments so that future obligations can be more easily met. Part of the farm has been sold advantageously for a project in which we are very much interested. It is to be used for a beautiful country club with an eighteen hole golf course, a facility which has been greatly needed in our county for a long time. It is necessary to reduce the herd to a size that can be accommodated on the smaller remaining acreage.

The basis used for the division between cattle to be sold and those to be retained will provide prospective buyers with the opportunity to purchase our top quality animals. Several years ago, to insure maximum protection against possible inroads of Brucellosis, we vaccinated the adult animals that had not been calfhood vaccinated. Not all of these, which number between twenty-five and thirty, have yet cleared up. We will keep them, offering everything else that it is possible to sell under the official health regulations.

Please remember that we are not going out of the Shorthorn business. We will merely operate in the future on a smaller scale. We expect to keep on producing the high quality, useful Shorthorns, which our good friends have been buying from us for nearly two decades. And best of all we can still maintain the contacts which have given us so much pleasure over the years.

Sincerely yours,

Ernest M. Sims

Right — a familiar scene at Elcona Farms. The females that went into the foundation of this herd were the best that money could buy. Shown in this group are daughters of such famous sires as Edellyn Campeon Mercury, Edellyn Royal Leader 22nd, Divide Grand Duke, Millhills Wanderer and O A C Mayflower's Ransom.

General Information

TIME — The sale will start promptly at 12:00 o'clock noon Eastern Standard Time. This is the same as 12:00 o'clock noon Central Daylight Savings Time. The date of the sale is Monday, June 11, 1956. Lunch will be served on the farm.

LOCATION — Elkhart is located one hundred miles east of Chicago on the main line of the New York Central Railroad. It is served by several local and through bus lines. Federal Routes 20 and 33 pass through it, as does Indiana Road 19.

The sale will be held at Elcona Farms, located six miles east of Elkhart on the north side of Federal Route 20, at its intersection with County Road 21. This point is also one and a half miles west of the intersection of Number 20 and State Road 15.

Sale headquarters will be at Hotel Elkhart. Persons arriving in Elkhart by train or bus should go to the hotel from which transportation to the farm will be available at frequent intervals. The hotel is one block east and two north from the New York Central station and one-half block east and one block north from the bus station. Reservations for those arriving the day before will be made at Hotel Elkhart if they will notify us. There are several good motels in the area if you prefer such accommodations.

Those who wish to secure further information about the cattle in this sale, or regarding travel accommodations by train, bus, or auto should get in touch with Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

AUCTIONEERS — C. D. (Pete) Swaffar and Romaine Sherman.

MAIL ORDERS — Those unable to be present and who desire to do so may send buying orders to any of the following reliable men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Illinois.

H. W. Walker, Eastern Fieldman, The Shorthorn World, 904 East Maple Road, Indianapolis 5, Indiana.

Allan C. Atlason, American Shorthorn Breeders' Association, Union Stock Yards, Chicago, Illinois.

Vaughn Lipp, The Farmers Guide, Huntington, Indiana.

Ed Huff, Eastern Fieldman, American Shorthorn Breeders' Assn., Culpeper, Virginia.

Harold Schroeder, The Drovers Journal, Chicago, Illinois.

Telegrams should be sent in care of Hotel Elkhart. The farm telephone is Dunlop 18F22, a suburban exchange reached through Elkhart.

SALE MANAGER — Hal Longley, 16 South Locust Street, Aurora, Illinois.

With only one exception, all calves born after October 31, 1955, are catalogued with their dams as calves at foot. A few of the older calves are catalogued in such manner will be sold separately since their dams in some instances are again close to calving.

Terms and Conditions

Guarantee — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyer's risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

Terms — The terms of this sale are cash unless arrangements are made in advance with the owner. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

Health — Calthood vaccination is practiced regularly in the Elcona Herd. The cattle in this sale have been tested for Bang's Disease within 30 days of the date of the sale. A 60 day Tuberculin retest will be allowed. Health certificates will be provided with each lot sold.

Liability — Each transaction in this sale will constitute a contract between Mr. & Mrs. Ernest M. Sims and the buyer of each lot. The auctioneer, clerk and sale manager have been employed by Mr. & Mrs. Ernest M. Sims for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability for the contract or for any accidents that may occur. Mr. & Mrs. Ernest M. Sims will make every effort to provide for the comfort and safety of those attending the sale, but they cannot accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk. Footnotes were written by the owners or from information provided by them.

Inquiries About Cattle Listed — The Sale Manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of the animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 South Locust Street, Aurora, Illinois.

Please Note — Some breeding dates are given in this catalog and we believe them to be correct as of the date of printing. However, some changes may occur and it must be understood that announcements from the auction block on sale day will take precedence over matter printed in this catalog.

All females in this sale are officially vaccinated for Bang's and the Elcona Herd is under federal supervision for Tuberculosis.

*This is a partial dispersion backed by
the strongest possible guarantees*

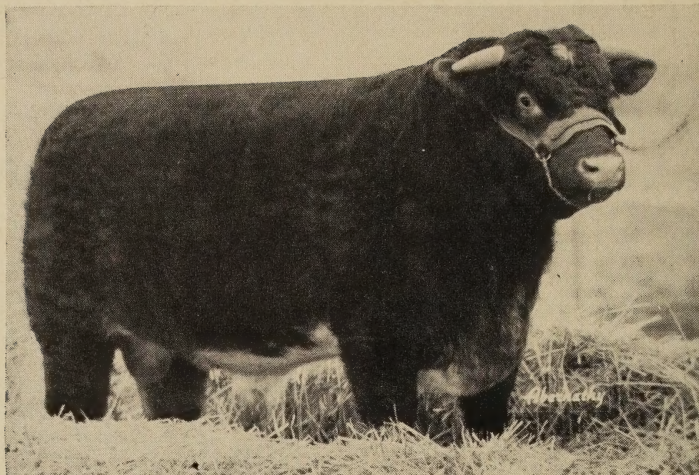

This is a partial dispersion of one of the most highly respected herds in North America. The reasons for this action are explained in a letter from Mr. Sims which appears on pages 2 and 3 of this catalog. Briefly, most of the land has been sold. A small herd will be maintained but the bulk of the cattle in this great herd are to be included in this sale.

The Elcona Herd was established in 1936. Breeders everywhere are familiar with the fact that it was founded on the tops from the breed's greatest herds and that the best sires obtainable have been used. During the twenty years of its operation, Elcona productions have won highest honors in the show ring and have been purchased by the most critical breeders in the land. No herd has been maintained under higher standards of health, management and bloodlines. No herd owner commands greater respect than Ernie Sims.

I have seen the cattle that make up this partial dispersion within the past thirty days and I am delighted to recommend them. Among the bulls are outstanding individuals that are ready for immediate service and a group of wonderfully promising younger calves. Among the females there are famous brood cows, many with calves at foot or close to calving. Add to these an excellent group of bred and open heifers, many of which display great show ring promise, and the total of 63 lots will provide unusual buying opportunities. Unlike most other dispersions, the owners of the Elcona Herd have agreed to place solid guarantees behind these cattle. This is a clear indication of the attitude of fairness that has always characterized Elcona dealings and an equally clear indication of the faith they have in their cattle.

Edellyn Royal Leader 22d. Elcona Farms bought this product of the famous Edellyn Royal Leader-Calrossie Mercury cross at the top price of \$6500 in the June, 1945 Edellyn Sale. In the years succeeding, he proved himself a worthy representative of this blood. He showed that he could produce both good bulls and good heifers, an achievement which cannot be claimed for many herd sires. His sons and daughters have been in constant demand at good prices.

The excellent show record of his calves was further extended at the 1949 International when, in competition with the progeny of 102 sires in the individual classes and the Get-of-Sire, the average placing of his offspring was in second position, being bettered only by that of the sons and daughters of his own sire, Edellyn Royal Leader. With 51 exhibitors in all classes, both individual and group, the entries of Elcona Farms, all by Edellyn Royal Leader 22d, ranked first. His 1950 record was also impressive and after that he continued to maintain his position as a top sire.

Nine daughters of Edellyn Royal Leader 22d are included in this sale.

Sunset Bounce 23d. The remarkable achievements of four calves by Cruggleton Bounce at the 1948 International focused our attention on his sons in the Carter herd. This quartet together won the coveted Get-of-Sire Award and individually, or in pairs, added the Reserve Grand Championship, first prizes in the Summer Yearling Bull, Summer Yearling Heifer, Pair of Yearlings, and Best Bull and Female classes, paired with another Carter entry to win top place in the two bull group, and was represented in the trio that stood second in the Three Bull class. Cruggleton Bounce himself was second Reserve Champion at Perth in 1946, defeating 390 other bulls for that honor.

The dam of Sunset Bounce 23d was by Calrossie Fearless, generally regarded as one of the greatest sons of Calrossie Control. The two grandsires of his dam were Collynie Royal Leader and Naemoor Jasper. Glastullich Waverly and Calrossie Eldorado, fourth generation sires in the pedigree of his mother round out a full quota of famous names in the ancestry of this bull.

In 1950 Sunset Bounce 23d was a second prize winner and paired with Elcona Baroness to head the Pair of Yearlings class at the International. We lost the use of this bull at an early age, hence only four of his daughters are included in this sale but they are among the best.

Elcona Elvin. The record of his offspring has more than borne out the promise of his illustrious ancestry. Elcona has had a number of highly successful herdsires, but Elvin has produced high quality calves of both sexes more consistently than any of his predecessors. In the Cruggleton dispersal of October, 1952, twenty-one sons and daughters of his sire averaged \$1800, and that figure was maintained by thirty-eight other Shorthorns by four other bulls in his immediate ancestry. One son sired the 1954 Perth champion female. During 1954 and 1955, sons and daughters of Elcona Elvin have won coveted honors in the show and sale rings. These include: Champion bull and top selling female at the 1954 Fall Indiana State Sale.

A son sold at \$1675 and two daughters averaged \$893 in the 1954 International Congress Sale. The bull won his class in the show of sale cattle.

Champion and high selling bull in the 1955 Indiana All-Bull Sale.

Champion and top priced bull in the 1955 Louisiana State Sale.

This is the first sale in which his calves have been offered in liberal number. Included in this partial dispersion will be 15 bulls and 14 females sired by Elcona Elvin. We believe them to be the best ever produced at Elcona Farms. Since he is not related to any of the cows we are keeping, Elcona Elvin will be retained for further service.

W L Bank Standard. Elcona bought this bull at the 1953 International Congress Sale for \$4000. Besides having a great show record himself, his sire was International Grand Champion in 1950, his dam was a Pacific Grand Champion, and her sire was a full brother of another International Grand Champion, Killearn Max Juggler. The offspring of N-Bar Prince have established a remarkable show record in the last two or three years. Elcona Immaculate Elvin 3d. This bull's dam, an own daughter of Naemoor Immaculate, has produced three top quality bulls by Elcona Elvin in the last three years, one of which sold for \$500 in the 1955 Kentucky Futurity Sale, and the other for \$525 in the 1955 International. If you started out to design a cow best suited to produce herd sires, you'd likely find that this one is very close to your standard. J. F. Wright is the leading Shorthorn breeder in Ireland and Prumplestown Battleship, a son of Balmuchy Ringleader, has made a great record for him.

Elcona Queenie. Lavender Queenie, dam of this young cow, is the mother of Elcona Elvin. Her pedigree includes some of Bertie Marshall's most famous bulls. Elcona Queenie has carried on, in her own offspring, the high quality bequeathed to her by her ancestry. One daughter by Elvin sold for \$885 in the 1954 International sale. She was bred to Elcona Elvin on July 19, 1955, and will have a calf at foot.

Aren't they nice? All six of these beautiful heifers are to be sold in this partial dispersion. From left to right they are: Elcona Goldendrop 3rd (Lot 27); Elcona Orange Blossom A 2nd (Lot 26); Elcona Buttercup 5th (Lot 29); Elcona Rosewood 5th (Lot 32); Elcona Nell 4th (Lot 28) and Elcona Orange Blossom 6th, (Lot 25). The heifer at the extreme left of the picture is by Edellyn Royal Leader 22nd and the other five heifers are daughters of Elcona Elvin.

(Right) Elcona Fuchsia 2nd. She was purchased in our 1955 sale by Bricker Farms, Hicksville, Ohio. She is out of the same imported dam as Elcona Fuchsia 3rd, Lot 24 in this sale.

Elcona Fuchsia 3rd, Lot 24 in this sale. She is a daughter of W L Bank Standard and her dam is the great imported cow Kair Fuchsia by Bapton Commando.

Elcona Fuchsia 3d. This heifer's dam carries the most highly regarded bloodlines in Scotland. The Andersons paid \$40,000 for her sire and the offspring of his sire totaled the all-time high in sales of the progeny of one bull. Calrossie Fearless was regarded by many as the best son of Calrossie Control. Sells open.

Dispersion Sales Bring The Best Buying

The pictures on these two pages show the kind of females upon which the Elcona Herd was founded. Some of these great cows are included in this partial dispersion along with their descendants. Here you will find outstanding individuals with bloodlines of greatest strength. I am very glad that this is not a complete dispersion and that Ernie Sims will continue to produce Shorthorns. In my opinion he has been one of our most constructive breeders.

— Hal Longley.

Cluny Augusta Jean. This Cluny breeding has been very successful both in Scotland and the United States. One daughter of this cow sold at the 1954 International to Lyons Brown for \$900 and a son brought \$700 in the October, 1955, Elcona Clear Creek-Robinwood sale. A granddaughter purchased by Kickapoo, topped the females at \$800 in the Fall, 1954, Indiana Shorthorn Breeders' Association sale. Cluny Augusta Jean has at foot a red bull calf by Elcona Elvin born on March 19, 1956.

Elcona Campeon Leader, a bull that was used successfully in this herd. He represents a strong combination of Leader-Mercury blood. He is the sire of Lot 35 in this sale.

Elcona Prudent Augusta. Some of Elcona's top calves in recent years were sired by Elcona Campeon Leader. One son sold for \$1625. His dam by Edellyn Campeon Mercury was probably the best cow owned by Elcona. In the pedigree of this heifer's dam appear some of the greatest of Scotland's Shorthorn Bulls — Chapelton Royalist, Calrossie Supreme, Calrossie Supremacy, Calrossie Renown, Calrossie Randolph, and Craggleton Willingdon twice. Another daughter of Saltoun Augusta 16th sold to Brown-Forman at the top price of \$1000 in the Elcona-Clear Creek-Robinwood sale last fall. Elcona Prudent Augusta has a January 28th Elvin calf at foot and is rebred to Elcona Elvin.

(Left) Elcona Augusta Ann 2nd. She was purchased by S. J. O'Bryan, Lake Villa, Illinois, in our 1953 sale and he says that she was the best buy he ever made. Two of her full brothers as well as her dam will sell in this sale. See Lots 3, 4, and 36. Another heifer out of the same dam was the champion female at the 1955 Kentucky Futurity.

(Right) Elcona Prudent Augusta 2nd. She was purchased by the Brown-Forman Experimental Farm, Frankfort, Kentucky, at \$1,000, top female price of our 1955 sale. Two beautiful heifers out of the same imported dam will sell in this sale. See Lots 35 and 36.

Elcona Augusta Ann. She is the dam of two outstanding bulls that will sell in this sale as Lots No. 3 and 4. Pittodrie Landmark is a half brother of Pittodrie Upright, all-time high selling Shorthorn bull. The offspring of their sire, Bapton Upright, sold for about a quarter million dollars. In addition to Chapelton Royalist, a great performer in the Biggar herd, the lower half of this pedigree includes some famous bulls — Calrossie Supremacy, Calrossie Supreme, Cruggleton Willingdon, Calrossie Renown and Calrossie Randolph. Another daughter of Saltoun Augusta 16th topped the females at \$1,000 in the Elcona-Clear Creek-Robinwood sale last October. A son of Elcona Augusta Ann has been used as a junior herd sire. Bred 'o Elcona Elvin on December 15, 1955.

(Left) Elcona Baroness, a famous Elcona production. She was grand champion at the Indiana State Fair, won first prize at the International Livestock Show and was a member of the first prize pair of yearlings at the International. She will sell as Lot 37 in this sale. Two other heifers out of the same dam will sell as Lots 38 and 39.

(Right) Elcona Baroness 3rd. She was purchased by Lynnwood Farms in our 1955 sale. Three other heifers out of her dam will sell in this sale. See lots 37, 38 and 39.

Elcona Rosie Baroness. She was purchased in our 1955 sale by the University of Georgia. Her dam was the great show female, Elcona Baroness, that will sell as Lot 37 in this sale.

(Right) Elcona Beauty Baroness, purchased by T. Dorsey Jones, Shelbyville, Indiana, in our 1955 sale. She is a full sister to Elcona Beauty Baroness 2nd that will sell as Lot 40 in this sale. Her dam will also sell in this sale as Lot 39.

Elcona Baroness. This is probably the most famous of Elcona's long line of show and sale topping productions. In 1950 she was Grand Champion at the Indiana State Fair, Reserve Grand Champion at Ohio and the National, won her class and, with Sunset Bounce 23d, was one of the winning Pair of Yearlings at the International. Her quality is reflected in her own offspring. A daughter, by a son of Sunset Bounce 23d, was fourth in class at the 1955 International. She has at foot a red bull calf, by Elvin, born January 19, 1956 and is in calf again to the same bull.

Elcona Reta 3d. Princeton Reta, this cow's dam, was one of our high quality foundation females. Her paternal grandsire, Calrossie Ringleader, was a son of Collynie Royal Leader. Elcona Reta 3d suffered an injury to her back, but this did not affect her regular and consistent production of good calves. She has a good bull calf in the sale, Elcona Orator Elvin, that sells as Lot 11. She was bred to Elcona Elvin on December 6, 1955.

Kickapoo Butterfly. Before we bought this heifer for a high price in the 1954 Marellbar Invitational Sale, we inspected her dam at Kickapoo and her granddam at Marellbar. The consistent high quality in this ancestry led us to believe it would carry on into the next generations. Kickapoo Butterfly's first calf, a promising bull by W. L. Bank Standard, confirms our expectation, and we are retaining him for future herd service. She was rebred to Elcona Elvin on September 27, 1955.

Both heifers pictured on this page are out of Zoe Clipper of Helfred 4th, a great cow that will sell as Lot 48 in this sale.

(Above) Elcona Zoe Clipper 3rd, purchased by Crossed S Ranch of Texas in the 1954 International sale at \$600.

(Left) Elcona Zoe Clipper 4th, purchased in our 1955 sale by Harley Chittick & Sons, Frankfort, Indiana.

Elcona Annette 2d. Several daughters of Edellyn Royal Leader 22d are offered in this sale. His record of producing good females compares well with the best in the breed. We considered this one good enough to keep in the herd. Her mother is a double-bred granddaughter of OAC Ransom 2d, generally regarded as the best son of Millhills Ransom, and her sire is considered the best of the second Ransom generation. So far Elcona Annette 2d has produced a heifer by Elcona Banker Bounce and a bull by Elcona Elvin, the latter Lot No. 8 in this sale. She is in calf again to Elvin since October 12, 1955.

(Left) Elcona Crimson May. She was purchased in our 1955 sale at \$1,125 by W. H. Kilcawley, Canfield, Ohio. She is now a member of the great herd at Hopkins Stock Farm. She is a full sister to Elcona Crimson May 2nd, Lot 54 in this sale.

(Right) Elcona Bonnie Elvin. He was purchased in our 1953 Sale by Detchon Farms, Crawfordsville, Indiana. His dam will sell as Lot 54 and his full sister will sell as Lot 55 in this sale.

H S F Constance 4th. We bought this heifer from Joel Hopkins in November, 1954, for the top price of \$760 and she has developed into a splendid cow. Glassingall Research, her paternal grandsire, was first in class three years in succession at the International. The Leader-Bounce cross, carried by her dam, has produced good cattle in a number of herds, including Elcona. HSF Constance 4th has a roan heifer calf at foot by Elcona Elvin, born December 8, 1955, and is rebred to him.
